## ◆◆ AGREEMENTS AND AUTHORIZATIONS ◆◆

To the best of my knowledge and belief, all written, telephonic and electronic information I provided is true and complete. I also understand that the insurance I have selected for myself will begin on the effective date, provided I am actively at work on that date. If I am not, the effective date of my personal coverage will be delayed until I am actively at work. I understand that insurance subject to medical questions requires insurance company approval, and additional medical information, including blood work, may be required to approve such insurance. I understand that I am responsible to report to the insurance company any change in my health prior to my coverage effective date, and that no coverage will be effective unless I meet the insurance company's underwriting requirements on the effective date.

**Caution:** *It is unlawful to knowingly provide false, incomplete or misleading facts or information to an insurance company for the purpose of defrauding or attempting to defraud the company. Penalties may include imprisonment, fines, denial of insurance, and civil damages. Any insurance company or agent of an insurance company who knowingly provides false, incomplete or misleading facts or information to a policyholder or claimant for the purpose of defrauding or attempting to defraud the policyholder or claimant with regard to a settlement or award payable from insurance proceeds shall be reported to the Colorado division of insurance within the department of regulatory agencies.*

**Authorization:** I hereby authorize any licensed physician, medical practitioner, hospital, clinic or other medical or medically-related facility, insurance company, the Medical Information Bureau (MIB), or other organization, institution or person that has any records or knowledge of me or my health to give any such information to Life Insurance Company of North America and its authorized representatives and reinsurers, for use in the processing and evaluation of my application and eligibility for life or disability insurance coverage. This authorization extends to and includes information or records pertaining to psychiatric, drug or alcohol use history.

This authorization shall be valid for a period of 30 months from the date signed, and a photographic copy shall be as valid as the original. I understand that my authorized representative or I have the right to receive a copy of the authorization upon request. I understand that this authorization may be revoked provided such revocation is in writing. However, such revocation will not affect any action taken in reliance on the authorization. I further understand that this authorization is being given as a condition of obtaining insurance, and that any revocation does not affect the insurer's right to use this authorization in connection with the contest of a claim or of the policy in accordance with applicable law.

Information provided pursuant to this authorization may be redisclosed by the recipient and no longer subject to the protections of the Health Insurance Portability and Accountability Act. (The insurance companies are subject to the Gramm-Leach-Bliley Act and state privacy laws and do not disclose any protected information except as permitted by those laws.)

**Pre-Existing Condition Limitation (applies to Long-Term Disability insurance only):** I understand that I will not receive benefits for a pre-existing condition (any injury or sickness for which medical advice, care or treatment was recommended or received during the 6 months just prior to the coverage effective date) unless the disability begins more than 12 months after the effective date of coverage.
